Swipe right in the dictionary to close the window Note: If you download the LDS Scriptures, you can look up Hebrew or Greek Bible words. 	The C The C Th	Dictionary American Dictionary of the Engl Comedy Entries comedy Definition(s) COM E-DY, n. [L. comædia; Gr. κωμωδια. Qu. from κωμη, a illage and φδη, or rather αειδω, to sing, and denoting that the comedian was a strolling singer; or whether the first syllable is from κωμως, a merry feast, whence comic, comical, the latter indicating that the comedian was characterized by buffoonery. The latter coincides in elements with the English game.] A dramatic composition intended to represent human characters, which are to be imitated in language, dress and manner, by actors on a stage, for the amusement of spectators. The object of comedy is said to be, to recommend virtue, and make vice ridiculous; but the real effect is amusement.
